PRESS RELEASE

Cincinnati Extrusion and American Maplan continue with U.S. Multi-Brand Strategy

Cincinnati Extrusion, American Maplan and Battenfeld Extrusion which share a common private equity investor are successful and vibrant brands in the pipe, profile and sheet extrusion markets. Each of the brands is well recognized and respected for their strong service, high quality and technical superiority. In the United States, these brands have been offered by two locations. To maximize the operating efficiencies of the administrative, accounting, manufacturing, purchasing and logistics functions these will be co-located to McPherson, Kansas.

Each brand will continue to be marketed and serviced building on its strengths and competencies. The advantages and technologies of each brand will continue to be available to our customers. The original technologies of each brand will be manufactured and provided as strictly designed and directed by each brand's design. A tailored and well qualified sales organization will market the Cincinnati brand and extrusion technology.

The contact information for Cincinnati will remain the same. For additional questions, please send any inquiries to welcome@cet-us.com or call +1.859.746.1530.

Our commitment to our customers and industry are to always provide the best technology at a high value.
